### Editorial

Home & Architectural Trends highlights great residential architecture and inspiring examples of what homeowners have achieved with their new home projects. Home & Architectural Trends also presents an illustrated guide to some of the latest products and services available to achieve these looks.

### Editorial

Kitchen Trends is a dedicated kitchen resource providing inspirational design ideas, products, services and information to homeowners/ consumers and designers. Information is supported by full-page, full-color examples of completed kitchens illustrating design and product solutions in a strong visual format.

### Editorial

Bathroom Trends covers all aspects of bathrooms – both new and remodeled. Product coverage includes baths, showers, saunas, steam showers, Whirlpools and much more. This title also showcases a wide variety of finishes, designs, products and services relevant to the powder, bath and laundry rooms of a home.

### Editorial

Home & Remodeling Trends provides inspirational ideas for innovative makeovers/ remodels. It also offers practical advice, and showcases products and services from designers, manufacturers and retailers. Sections cover full makeovers, room additions, kitchens, bathrooms and interior improvements.
