Judging Criteria

Brief: Marks 25

This is the written summary of the homeowners needs, requirements and problems – have these been overcome, and how were these challenges met? Is the brief clear and easy to understand? Have they captured the client's requirements and feeling?

Design and Concept: Marks 25

The functional and practical success of the design, and the overall concept, does it flow, does it work? Does the design have flow, balance and form, does it meet with all aspects of design practices and standards, specifications, products and technology?

Plans: (not to NKBA standards) Marks 15

Does this entry meet with all aspects of design practices and standards? Are they clear to understand? Are the drawings supplied of high quality and professional standard?

Style: Marks 35

The WOW factor. Does this entry convey creative excellence? Does it have unique character? Does it show innovative use of product, design, lighting and colour co-ordination?

Note: CDS entry will be judged to NKBA standards to qualify for the CDS Award

IMPORTANT NOTES:

- The Judges decision is final and no correspondence will be entered into
- The Judges may determine at their discretion, in accordance with the 'Competition Conditions of Entry', whether any award will be issued within any Category
- The conditions of this entry, form the rules of the competition and failure to follow these will mean disqualification
- No entry fees will be refunded for disqualified entries
